

**Donate items for our Craft Booth
and Christmas Corner**

These specialty booths will display items that are uniquely handmade. Knitted items, crocheted items, ceramics, quilts, afghans, baby blankets and booties, and boas are just a few of the many items that are in demand. In the Christmas Corner, we'll display brightly lit Christmas trees full of handmade items that you've created. You'll also see Christmas wreaths, centerpieces and other festive pieces. For craft items to be properly priced and cataloged, we ask for items to be delivered to GCM by October 28th.
