Dear Greer Community Ministries Supporter,

We have a fund raising opportunity for your organization. PLEASE READ ON! This is fairly simple and does not involve a prolonged effort of selling things and the return is good.

The Benson 5K Twilight Run-Walk-Crawl is scheduled for *October 1, 2011 in Greer, SC, at 6:00 pm.* The race is included in a day long slate of activities all of which are part of an important fundraiser for Greer Community Ministries. **You can run or walk this course.**

The entry fee for the run is \$20 per person. **If your organization enters 15 or more runners/walkers, we will pay \$5 per entrant back to your organization.**

An organization is any group that has a common identity or purpose (cross country teams, PTA's, booster clubs, Sunday School classes, churches....etc.). The race will be fun and there are prizes, awards and something for everyone that enters.

The group must be entered as a complete group at one time. Please print the entry from Greer Community Ministries' website (www.gcminc.org) and have each entrant complete an entry form. Payment can be from each individual entrant or can be one check for the group as a whole. Please call Craig Dittmar or Cam Morris at the ministry if you have any questions at 864-877-1937. It will not be possible for individuals to join the group on raceday.

You can see that this could add up quickly and many organizations have benefited from this in years past. **As an example, if there are 50 paid entrants (runners/walkers—parents and siblings included as well as anyone that you are willing to claim as part of your group) from an organization, it would result in a check being cut for \$250 back to that organization with very little effort except for participating in the actual event!**

Thank you for your consideration and we hope that we can benefit your organization by your helping us put some feet on the street on race day.

Sincerely,

The Benson Race Committee
